Primary School Edition

Although **Webster** defines "tyro" as "one who is in the preliminary or rudiments of any study," we have taken the liberty of expanding this definition just a bit. Our definition of a **Young Tyro** includes all who are interested in continuing the learning process.

The Cryptogram Bimonthly Journal Availability
For those interested in joining our Cryptogram magazine's Solvers List, The Cryptogram Bimonthly Journal is available to students at the rate of $10. per year. Send subscription requests to Charles F. Schretzmann, ACA Treasurer, 56 Sanders Ranch Road, Moraga, CA 94556 for your own personal copy of our ACA magazine. Include your name, address and NOM selection with your subscription fee. Tutoring assistance with the Aristocrat Cipher solution procedures will be provided.

2020 Solvers Leader Board Awards – Year End Prizes for All Newsletter Complete Solvers
An exciting list of books citing cipher solving fundamentals, or a book of your choice, will be made available. Winners may also choose from Lionel trains, Hot Wheel Disney, NASCAR and Star Wars collectibles, foreign stamps, Indian Head pennies (10) and out of issue two dollar bills (3).
We will send past 2020 Newsletters to new solvers so that they may complete this year's solving.

Free Books from Young Tyros Library (Mailing also free.) Contact LIONEL cryptolion@aol.com
